

Alladin-Air Manufacturing

... is pleased to introduce our new family
of Steam Room Controls!

Luxuriate in your own personal Steam Bath with the push of a button!

- Simple to operate!
- Easy to program!
- Two models to choose from!
- Customize the time or room temperature to your personal preference!
- Convenient plug-in technology!
- Comes complete with 30 ft. cord!
- Large digital display is easy to read in the steam room!

With the Genie or Genie Plus timers, simply press the "on/off" button and your Alladin-Air Steam Bath is programmed for 30 minutes. The digital display indicates the time remaining. The time can be adjusted at your convenience simply by pressing the up or down buttons. Your Alladin-Air Steam Bath is automatically turned off when the time counts down to "00".
